Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

THE ARKANA MYSTERIES (AMAZON BESTSELLING SERIES) Archaeology That Defies History Two rival factions launch a global hunt to recover a cache of priceless artifacts. A secret society known as the Arkana wants to preserve it for posterity. A fanatical cult called the Nephilim wants to exploit it for a darker purpose. Caught in the crossfire is an innocent teen who may be the only living person capable of finding their coveted prize.

Volume 5 - Into the Jaws of the Lion INTO THE JAWS OF THE LION finds the Arkana s agents on a new adventure in India, searching for a jewel-encrusted figurine which holds a clue to an even more priceless artifact. Beating the Nephilim to the prize is the least of their worries. Back in the States, the cult s leader has evolved a plan to release a deadly plague on an unsuspecting world just as his henchman zeroes in on the whereabouts of his child-bride. Every effort to throw the hunter off the girl s trail only draws him nearer to his prey. A rift among the members of the Arkana crew threatens to destroy the relic quest altogether. Held captive on a frigid mountaintop in the Himalayas, they are forced to summon all their resources not merely to complete their mission but simply to survive the night. If you thought you knew where this saga was headed, be prepared for a shocking twist when the Arkana team wanders blindly into the lion s jaws.
