

Language Files: Materials for an Introduction to Language and Linguistics, 11th Edition

By -

Ohio State University Press, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Since its inception, Language Files has become one of the most widely adopted, consulted, and authoritative introductory textbooks to linguistics ever written. The scope of the text makes it suitable for use in a wide range of courses, while its unique organization into student-friendly, self-contained sections allows for tremendous flexibility in course design. The eleventh edition has been revised, clarified, and updated in many places. This edition includes an all-new syntax chapter, new files on language and culture and on writing systems, restructured semantics files, and many new examples, exercises, and activities. Additional readings have been added to all chapters, and the number of cross-references among chapters has been increased. In addition, the accompanying Language Files webpage has links to online resources and websites related to language and linguistics that instructors and students may find interesting.

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Mrs. Josiane Collins**

Thorough information! Its this kind of good read. Yes, it is perform, continue to an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Loyal Grady**
