MINIMIZING COSTS OF OIL AND GAS DISTRIBUTION

Minimizing Costs of Oil and Gas Distribution
A Solution Methodology for the Inventory Routing Problem in Oil and Gas Distribution

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | A Solution Methodology for the Inventory Routing Problem in Oil and Gas Distribution | We study the distribution of product, in this case gas, to commercial and residential customers by truck. These customers receive deliveries in a Vendor Managed Inventory (VMI) contract, which gives companies the flexibility to determine when and what volume to deliver, and what routes to choose. The decision problem that is associated with distributing a product to a...
