Many professionals in education, business, psychology, metaphysics, and other fields use the runes as a system of contemplation and stimulating insight. If this is the way you enjoy using the runes and other oracles, this book is for you. Chances are, it is full of questions you have never asked yourself before as well, along with more than 14 ways to use the runes to generate art, music, and more. This system of higher development using the runes will thoroughly exercise both your mind and heart, never become routine, offer you daily surprises, help you focus, and take you places you've never been before. While this system is easy and fun to use, it is also profound and powerful. A unique chart inspired by Ken Wilber's 4 quadrants is included for rune play. Your Knowing Heart could be called your truth sense or profound intuition. It is like a golden compass within you, providing you with meaning, purpose, and direction in life. Using your head to reason, analyze, plan, and organize data, and your heart to know truth and value, you can more easily solve ordinary problems, meet major challenges in life, develop your abilities, serve others, form harmonious relationships, and manifest what you require to follow your path of greatest happiness. Centered in the Knowing Heart, you walk in beauty and balance with all creation. For all my relations, I will be happy today, and contribute happiness to the world! All my relations is a Native American term reminding us we are all interconnected in the web of life. This item ships from La Vergne, TN. Paperback.
