Dundurn. 1 Cloth(s), 2010. hard. Book Condition: New. Having already distinguished himself in combat, charismatic naval commander James Fitzjames joined Great Britain's 1845 Franklin Expedition, thinking he would make his name; instead the expedition disappeared without a trace. In this biography which features 16 pages of black and white illustrations William Battersby draws extensively on Fitzjames's personal letters and journals as well as official naval records, creating a portrait of an ambitious man haunted by the secret of his illegitimate birth."A riveting detective story that reveals a whole host of compelling details about the nature of 19th-century maritime endeavor, and the fated, enigmatic Captain Fitzjames. A worthy addition to the distinguished literature on the greatest Arctic naval disaster in history."Benedict Allen 224.
