## LETTERS TO POSEIDON

MacLehose Press. 1 Cloth(s), 2014. hard. Book Condition: New. As autumn falls each year, Goethe Prizewinning Dutch novelist, poet, and travel writer Cees Nooteboom writes Poseidon a letter requesting permission to return to his home in Minorca the following spring. Here he takes the opportunity to seek the wisdom of the trident-wielding deity, and to offer the god updates about his own life and thoughts. At once playful and poignant, beautiful and sometimes slightly bizarre, this exploration of humankind's relationship with the sea considers the minutiae of everyday life to illuminate the broadest questions of human existence."Nooteboom is an immensely civilized and civilizing writer, rich in curiosity and armed with a dazzling literary style. Those who already know his writing will not be surprised to discover that on the page, if not in the briny, he is more than a match for the trident-bearing earth-shaker, god of the sea. This is a sparkling little book, filled with wonder."Spectator (London) 239.
