Self-Defense: Defend Yourself Against A Knife Attack We live in tough times, and it can seem like there are threats around just about every corner. How can we escape? How can we get away? Well, the truth is, we can't always get away from threats that engage us. Sometimes we just have to be prepared to take a stand. And one of the best preparations in self defense that allows us to take that stand, also happens to be one of the oldest known to man; the knife. This instrument of self preservation and defense has been with humanity for thousands of years. And it is still second to none when you are in tight situation. Knives range from heavy steel, smooth stone, to light wood daggers. You can take them anywhere, and you can even put them in your pocket. This book discusses the type of knives you can buy, create, and acquire, as well as how...
