This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Interviews and first-hand accounts of an historic decision that affected the mental health profession-and American society and culture Through the personal accounts of those who were there, American Psychiatry and Homosexuality: An Oral History examines the 1973 decision by the American Psychiatric Association (APA) to remove homosexuality from its diagnostic and statistical manual of mental disorders (DSM). This unique book includes candid one-on-one interviews with key mental health professionals who played a role in the APA s decision, those who helped organize gay, lesbian, and bisexual psychiatrists after the decision, and others who have made significant contributions in this area within the mental health field. American Psychiatry and Homosexuality presents an insider s view of how homosexuality was removed from the DSM, the gradual organization of gay and lesbian psychiatrists within the APA, and the eventual formation of the APA-allied Association of Gay Lesbian Psychiatrists (AGLP). The book profiles 17 individuals, both straight and gay, who made important contributions to organized psychiatry and the mental health needs of lesbian and gay patients, and illustrates the role that gay and lesbian psychiatrists would later play in the mental health field when they no longer had to hide their identities. Individuals profiled in American Psychiatry and Homosexuality include: * Dr. John Fryer, who disguised his identity to speak before the APA s annual meeting in 1972 on the discrimination gay psychiatrists faced in their own profession * Dr. Charles Silverstein, who saw the diagnosis of homosexuality as a means of social control * Dr. Lawrence Hartmann, who helped reform the APA and later served as its President...
