After finding no success with conventional medicine, and becoming her own Medical Detective, she found her biggest aha moment when she discovered that the truth was not linear but holographic. She also found that the body never lies. Using Energy Testing truth tools that answer all her health questions, Banks has moved straight into recovery from Lyme Disease she contracted as a little girl in New Jersey, which was finally diagnosed correctly through her purchase of a Biofeedback Machine based on Quantum Physics. The author introduces important and influential healers including doctors and inventors, and even a thirty-fifth generation Shaolin Kung Fu grand master. Their combined knowledge will show you potent new healing paths on many levels, as the author tells how each one helped her recovery. In HEALTH POWER, Banks outlines the discoveries she made, techniques, natural treatments, and other information that will help you make informed choices about your health and approach your medical problems with all the facts. Using these tools for your own recovery will bring back your power and improve your self-confidence because you have found the truth using Energy testing. Learn about the map of consciousness, Kinesiology, Dowsing, the Yuen Method, the SCIO Biofeedback Machine, and Syncrometers. With these instruments and new healing techniques, you can take charge of your own medical diagnosis and prognosis.
