## The Canada Lancet, Vol. 24: A Monthly Journal of Medical and Surgical Science, Criticism and News (Classic Reprint) (Paperback)

By J L Davison

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Canada Lancet, Vol. 24: A Monthly Journal of Medical and Surgical Science, Criticism and News In introducing this subject to you I need offer no apology. In infants and young children dis eases of the digestive tract are much more frequent than of any other part of the body. Especially during the hot season is this the case, when the child s food is so apt to sour either before or after ingestion, owing to the presence of micro-organisms. Again, an infant is too often given improper food, which it is unable to digest. These facts make the subject a very important one, for from infants men and women grow, and if we have not healthy thriving infants how can we expect to have healthy, vigorous, intellectual men? The future of a child depends to a great extent on its physical development during the first few years of life The subject is of special interest at the present time also, owing to the constant advance of the purely scientific aspect of medicine and the better methods of utilizing these facts. It...
