

## Tales from the Kodiak Starport (Paperback)

By Justin Oldham

Shadow Fusion LLC, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Tales from the Kodiak Starport is a collection of science fiction stories chronicling the efforts of adventurous Alaskans to facilitate mankind's move toward space-based commerce, stepping from the Last Frontier into the final frontier. Each tale, set in a different period, explores an aspect of the space industry and its impact on the economic and ecological well-being of the people of Earth. In today's world, Kodiak Island, Alaska is home to the Kodiak Launch Complex (KLC), a 3,717-acre rocket launch facility. The KLC is a joint venture between the state of Alaska and the investors of the Alaska Aerospace Development Corporation (AADC). At this point, KLC's services are geared to the safe launching of polar-orbit satellites and sub-orbital research payloads. In time, the complex may grow into an entity similar to, or even better than, the facility depicted in these stories. From the pioneers who build the businesses supporting the various launch activities of the complex and those who defend the facility from a close encounter of the government kind, to the man who's just trying to keep his...
