### **Reviews**

*This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.*

Linden Publishing Co Inc, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Professionals, hobbyists, and people of all woodworking skill levels in between will appreciate this set of quick reference tables for determining board foot measurements. The figures go beyond a simple discussion of the calculation, providing actual measurements for dimensions ranging from one to more than 25 inches wide, one to 20 feet long, and one to four inches thick. Whether figuring quantities for a project or facing a large amount of inventory to count, this tool for craftspeople frees them from calculators, computers, and the lumber stick.
