Lulu.com, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This Delomelanicon, which means Book of Summoning the Darkness or Invocation of Darkness is a book of concealment about embracing the darkness hidden within the subconscious in order to have unconditionally self-acceptance. The verses in this book use Greek and Hebrew mythology as allegories about the chthonic or subconscious primal survival instincts of the mind. It is Kabbalistic as it focuses on the Dark Tree which is the roots of the Kabbalistic Tree of Life, usually called by the Right Hand Path of magic as the Qlippoth or Tree of Death. This is the opposite of the biblical Book of Revelations which is about ascending from earth to heaven or Crown of Life which is the Crown of the Kabbalistic Tree of Life, instead this Book of Concealment is about descending from earth to hell, which is Kingdom on the Kabbalistic Tree of Life or root chakra in the chakras system in order to understand our animal instincts.
