

A Tale of Two Cities

By Charles Dickens

Arcturus Publishing Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 194 x 128 mm. Language: English . Brand New Book. The period from 1775 - the outbreak of the American Revolution - to 1789 - the storming of the Bastille - is the turbulent setting of this uncharacteristic Dickens novel. It is his only novel that lacks comic relief, is one of only two that are not set in nineteenth-century England and is also unusual in lacking a primary central character. London and Paris are the real protagonists in this tale, much as the cathedral was the hero of Hugo's Notre Dame de Paris. Dickens was writing at a time of great turmoil in his personal life, having just separated from his wife, and no doubt the revolutionary theme was in tune with his mental state.

Reviews

Extremely helpful for all class of folks. It is really simplified but excitement from the 50 percent of your ebook. You wont sense monotony at at any moment of your time (that's what catalogs are for about if you check with me).

-- Prof. Zachary Pollich V

Extensive information! Its this sort of great read through. It is amongst the most incredible book i have go through. I realized this publication from my i and dad suggested this book to understand.
