Do you get depressed every time a date turns out to be a dud? Are you devastated when you don't get the call from a guy you like? Do you constantly check your dates out for marriage potential? Chances are you're taking dating way too seriously. According to Myra Moore -- America's Dating Coach -- women need to start dating to have fun, which is what men have been doing for ages! In fact, Moore says, dating is a lot like a science. And with any scientific experiment, it's trial and error. In *Date Like a Man*, she steals dating secrets from men (the masters of dating) and transforms them into a personal training program that will boost your dating prospects -- and increase your chances of finding a soul mate. Clear, candid, and empowering, *Date Like a Man* makes the manhunt fun -- the way it should be. Even if you think you're a dating expert, you'll devour this manual -- the new bible for surviving and thriving in today's world.
