

## Lisa Gardner Collection - Touch Go and Crash Burn

By Lisa Gardner

BRILLIANCE AUDIO, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. TOUCH GO This is my family: Vanished without a trace. Justin and Libby Denbe have the kind of life you d find in the pages of a glossy magazine: A beautiful fourteen-year-old daughter. A gorgeous brownstone on a tree-lined street in Boston s Back Bay neighborhood. A great marriage, admired by all. A perfect life. This is what I know: Pain has a flavor. When investigator Tessa Leone arrives at the crime scene in the foyer of the Denbes home, she finds scuff marks on the floor and a million tiny pieces of bright green Taser confetti. The family appears to have been abducted, with only a pile of their cell phones and electronic devices remaining. No witnesses, no ransom demands, no motive. Just a perfect little family, gone. This is what I fear: The worst is yet to come. Tessa knows better than anyone that flawless fronts can hide the darkest secrets. Now she must race against the clock to uncover the Denbes innermost dealings, a complex tangle of friendships and betrayal, big business and small sacrifices. Who would want to kidnap such a perfect little family?...

### Reviews

*The publication is great and fantastic. I actually have read through and i am sure that i am going to planning to go through yet again yet again down the road. I realized this pdf from my dad and i encouraged this publication to understand.*

-- **Jamarcus Runolfsson**

*An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*
