By Monica A Coleman

Wipf Stock Publishers, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. By sharing the lessons of one church, this book proposes detailed methods for instituting a church program. The Dinah Project provides church activities ranging from providing resources for members to ways to organize a full-time church ministry, and many stages in between. Topics include planning worship services, conducting community education workshops, working with local agencies, establishing a board of directors and holding therapy groups at the church. With checklists, forms and detailed explanations, this user-friendly book guides any interested individual from basic information about sexual violence...
