INNER SOUL

Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.My name is Stephanie Harris. I was born in Kimball, Nebraska, and raised in Farmington, New Mexico. I graduated in 1980 at Farmington High. I spent all my free time at my Grandma Picard s up in Worland, Wyoming. I have lived in Nebraska, New Mexico, Wyoming, Colorado, and Utah. I have worked as a lifeguard, telemarketer, truck driver, convenience store clerk, work release agent, and service programs coordinator. During the cabbage patch era, I had supervised handicapped, felons, and victims of domestic violence get back of their feet. I am one of six children. I spent a lot of time in church growing up. In fourth grade, I had a lot of the Bible passages memorized. I knew enough in the Bible that I went to state sword drill and came in fourth, which is one of the greatest achievements I take pride in. My Bachelor of Business Administration in human resource management with a magna cum laude status is also something I take pride in. I have accomplished a lot in my life in spite of having Turners Syndrome and loss of hearing. The only hearing I have is in one ear, and it is half the hearing of most people. I decided to write this book because a lot of people have been coming up to me, questioning me on this subject. I have enjoyed writing this book, thinking about who God is and the different spirits that have been in my life.
