By Charles Carpenter

Midnight Express Books, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A compelling true story about a young man who ventured on the wrong path despite a mother s best efforts to keep him on the straight-and-narrow path. This honest collection of memoirs written by Charles Carpenter while in the confines of California s notoriously violent state prison (New Folsom) depicts Mr. Carpenter s early years and details what led to his membership with the faction of Crips known as Tray-Five-Seven. The book explains how a young man became fixated on a life of crime and through a distorted perception, viewed the gang subculture as a normal way of life. The Charles Carpenter story is a brutally honest account of his experiences in various juvenile facilities during the 1980 s and the members of various gangs he met during his unfortunate stints of incarceration.
