Publisher: China Population Publishing House; edition (December 1. 2005). Opportunities and Challenges: the 21st century. four of the population changes Description: very pleased to be the fourth of the four sides of the strait population seminar of writing the preamble. four workshops has been cross-strait scholars of the population of the four places closely connected with the contacts and cooperation of the various population studies. thus contributing to the understanding of each other's unique demographic phenomena. thereby strengthening the opportunities for cooperation. Through the efforts of the past twenty years. the Chinese mainland. the population policy has won the admiration of the world. but also trained a number of outstanding people and professionals. research papers and publications by the International Conference on Population academic attention. I remember the 1980s. authors are still work in the United States. once in the U.S. Population Institute organized the first cross-strait population seminar. From then on. the Population Institute of the United States each year will be in the year would arrange a predominantly Chinese population seminar evening With that occasion. the Chinese population scholars around the world have the opportunity to come together to communicate. thus contributing to opportunities for cooperation. Therefore. we have laid a solid foundation for the Chinese community population. I joined in 1992. Hong Kong University of Science and Technology Teaching lineup addition to continue to engage the Chinese community population studies. because of its geographic position. therefore. and thus make more of the population of the cross-strait scholars to promote academic exchanges of all...
