Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, changing the way I believe.

iUniverse, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The magical world has been ruled by a group called The Counsel and their laws. The highest law is that good and evil can not mix. The eldest of the immortals, Destiny, has grown too tired of living and brings together a high witch of a covenant, Mara Hews, that equaled good, and a demon general, Verex, equaling evil. He brought them together, and they had a child. The child was a mix of good and evil. The reason The Counsel didn't want good and evil mixing is because The Counsel is made up of beings of the light and demons of the abyss. If good and evil were put in one creature, there would be no need for a counsel. This boy will grow to become king, and the new ruler of the magical world, overthrowing The Counsel. Though if the boy's demon father is victorious, the boy may never make his way to the throne.
