Upon graduation he wins a coveted Traveling Fellowship, which enables him to pursue his three true loves. This is the story of Peter Newman's fellowship year—a year filled with travel, adventure, and romance. Together with a college friend, Peter visits every major architectural monument, from the classic ruins and great cathedrals of Europe to the historic mosques and pyramids in the Middle East. They spend more than a year exploring dozens of countries, while experiencing exotic adventures, bureaucratic entanglements, and thrilling amorous episodes. In the rousing conclusion several romantic partners unexpectedly arrive in Paris at the same time, and Peter must choose his one true love.
