Penguin Books Ltd Apr 2009, 2009. Taschenbuch. Condition: Neu. Neuware - In this sequel to Faust , Mephistopheles takes Faust on a journey through ancient Greek mythology, conjuring for him the unsurpassably beautiful Helen of Troy, as well as the classical gods. Faust falls in love with and marries Helen, embodying for Goethe his 'imaginative longing to join poetically the Romantic Medievalism of the germanic West to the classical genius of the Greeks'. Further to the themes of redemption and salvation in this great drama, are Goethe's eerie premonitions of modern phenomena such as inflation and the creation of life by scientific synthesis. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. 384 pp. Englisch.
