August.--Owing to the favorable weather, we still have an abundance of excellent vegetables. The potato orop is better in quality, but the quantity not so large as it was last year. The piece of ground reclaimed by the sewer has been very productive this year, giving us 3 large Darrels of cucumbers for pickles, besides those used for the children. We also have sold enough tomatoes to snpply the children with fresh fruit and buy all that we needed for preserving. Greenhouses.--The repairs on the greenhouses are partly done. The new crop in the rose house is doing well. All the houses except the carnation house have been painted. The boys did the work under the direction of Mr. McCaslin while the florist was away. The work was well done. Carpenter shop.--The carpenter has had two weeks vacation, made 38 tables, and worked on repairs at greenhouse and cart house. September.--Most of the summer vegetables are gone, but the fall supplies are fairly good, notwithstanding the drought. The late potatoes are very fine, but there are not many of them. The gutter has been paved, anil the work is well done. The rush of work in the carpenter shop has prevented the finishing up of the wagon, tool, and wood sheds and rebuilding of the fence. Greenhouses.--The greenhouses have been painted, new benches and new soil put in, and restocked. The carnations are very fine this fall. The black fungus attacked one side of...
