NEIGHBORHOODS UNDER SIEGE MEMOIRS OF A BROOKLYN DON

PREE PUBLISHING. Paperback. Condition: New. Hgx Marketing (illustrator). 582 pages. Dimensions: 8.5in. x 5.4in. x 1.4in. Enter the world of Brooklyn, the underworld of New York City through the boundless, in-depth mind of Calvin Klein Bacote. Making himself believe he had nothing to live for, he turned his life into a crime scene, finding something he was willing to die for. The Game. Klein was addicted to drugs, but not by way of usage. His high was obtained via hustling. He was a major figure, flooding the city with mass quantities, addicting more than half the city with 90 quality pure cocaine. He was reported to have grossed over 25 million dollars annually. Klein, a mythological figure to most, a villain to some and an icon to others. From the child growing up in the late 60s and 70s to the larger than life character throughout the 80s and 90s, no stone is left unturned. He traverses every end of the spectrum, from the barely teenaged stick-up kid to the man who helped build Konvict Records while serving as a protege to the international star Akon. Raised in the hellish dwellings of Brooklyns unforgiving Red-Hook Housing Projects, a neighborhood where legendary mobsters and gangsters have made their bones. One would think was he born to be this way Klein will show you things your mind is yet to fathom. The already proclaimed best seller Neighborhoods Under Siege walks through Brooklyn in places you just couldnt go, during an era where lifes value was less than that of a bag of rice. This book wears many hats. Live through the conviction of a mother, gun of an enforcer and soul of a hustler. Your conscience will tell you to stop reading, but your curiosity wont be denied. In Neighborhoods Under Siege Klein...
