Createspace, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. BRIEF, plain, practical dissertations on prayer constitute the subject-matter of this timely and helpful volume. The author's treatment of his topic is most thoroughgoing. He cites and comments on nearly every Scriptural example of prayer and praying men. With a rare simplicity of expression and a most attractive sincerity of spirit the characteristics of true prayer both positively and negatively are set forth. That the writer speaks not from theory nor from the standpoint of philosophy, but as one who really knows the secret of prayer is the ever-growing impression as one peruses these pages. The reader comes to a fuller realization of what a vital and blessed thing prevailing prayer is, and longs to possess and experience more of its power. All the stronger does this desire grow as one reads the several unique instances of answered prayer in the author's own experience, adding fresh confirmation to the fact that prayer does indeed move the Hand that rules the world. We would commend this volume especially to those who feel the need and importance of prayer in their life, and yet are not satisfied with their present attainments in this comforting, sanctifying, and conquering grace. - Record of Christian Work, Volume 32.
