However, it only takes one urgent call to bring Alpha back home to Anthem, the older brother who raised her as well as a revolution, and Omega, her twin brother whose contrasting personality makes her feel whole. With Anthem's health declining, Alpha and her friends will have to dig deeper into the mainframe than ever before in order to find the root of the Corp's re-emergence. Emma Trevayne's sequel to Coda concludes the series with a crescendo of unexpected twists, hard-earned triumphs, and agonizing decisions--all coming together as a symphony...
