He set off on a mission to look for the location of the players, after hearing from his Endermen that the players had suddenly disappeared. In his journey in the Overworld, the Dragon met two humans, Jack and Anna. The couple agreed to help the Dragon in finding the remaining survivors, and on their brave mission they found a mysterious Witch who possessed an amazing ability: the power to predict the future. With this ability, the Witch foresaw the humans location, but she was not able to tell with certainty where they were. The Dragon and his two human friends managed to solve the riddle and found the humans location: the Nether. After successfully saving the humans and returning to the Overworld, the Dragon was shocked with a revelation: there was a second Dragon in the world, and he was being helped by a group of Endermen. Now, the Ender Dragon will need the help from Anna and Jack once again, and even the survivors will have to lend them a hand in their new quest. They need to find out why there is another Dragon in the world. Why did he take the humans to the Nether with the help of the Endermen? What are his plans? And why does he exist after all? Check out the Diary of a Might Ender Dragon book 2 to find the answer for these questions and much more. Other books in the Diary of a Mighty Ender Dragon...
