Wipf Stock Publishers, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Synopsis: The book you hold in your hands says that our churches and our nation are in desperate need of biblical awakening and revival. It begins with the churches. In stark opposition to the quest to give our utmost for God s glory, as a whole, the modern evangelical movement has settled for a compromised form of Christianity. The book exposes the roots of this compromise, analyzes keys areas of church life where we have abandoned the biblical record, and offers a roadmap for revival and reformation. Author Biography: John Barber has served the Church as an evangelist, church planter, broadcaster, educator, and now is a pastor in the Presbyterian Church in America. He is also involved with missionary work in Uganda and helped to start a seminary in Kenya. His other books include The Road From Eden: Studies in Christianity and Culture, Art to the Glory of God, Earth Restored, and America Restored.
