Reviews

*This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

THE DAY OF THE FLYING THUMBS

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The Day of the Flying Thumbs, Steve Cole, New girl and boy, Sara and Sam, just want to get through their first day at school without sticking out like sore thumbs, but when real thumbs (and fingers) start turning up in odd places around school, they realize that Freekham High is seriously weird. They need to find out where the dastardly digits are coming from, which isn't easy when you're trying to keep a low profile. And when the lunch special is baked potato with thumbs followed by finger custard, not only are there freaky digits to deal with but the biggest vomit-fest ever! This hilariously surreal story is perfect for readers who prefer their humour a little on the dark side .
