There is a very good reason classic cars garner the name "classic." These automotive works of art have always managed to turn heads and gather everyone's attention whenever they make an appearance. It only takes one look to fall in love with these automotive masterpieces and now you can enjoy coloring 30 classic muscle cars right out of the 1970s. Each car has been meticulously hand drawn by Jordan Biggio, automotive enthusiast and illustrator. Designed to appeal to classic car lovers of all ages. Beginners will love the large open spaces giving them plenty of area to lay down solid colors. No artistic skill is required in order to make a jaw dropping masterpiece. Advanced colorists will enjoy using the line art to apply shading techniques that make the classic cars shine. As a bonus each classic automobile design is printed twice in this book. Not only does this give you the opportunity to color each scene twice, it also gives you a clean slate in case you make a mistake! It is like having two copies of the same book. As a second bonus, both the front and back cover are printed with a matte finish. This means you can color them too!
