Internet Address Password Log Book -In this complicated digital age. It can sometimes be difficult to remember all of the necessary passwords and other personal pertinent information required in daily digital life. That s where this handy little notebook comes in this 150 page password logbook is expressly designed to help you keep all of your password and username information for each specific website or email account or social media outlet you frequent. Most often at your fingertips so that you no longer have to worry about remembering the correct password and or username for the correct website and risk having your account terminated because you entered the wrong password too many times these books are designed similar to an old pocket address book with alphabetical labels and to specific slots and areas designed to contain specific information such as your password and username as well as a place for notes or other important information that corresponds with the specific website or email account. This handy little notebook will ensure that you never spend another day worrying about or...
