This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Has a fictional internet character come to life? Slenderman was created on June 10th 2009. During a contest on the Something Awful forum in which people were asked to create a fictional paranormal character to fool investigators. A submission by Victor Surge took the forum and soon the Internet by storm. His creation Slenderman is a paranormal entity that lurks in the shadows, stalking people from their childhood. Once encountered, it is an unrelenting and unstoppable force of evil that does not rest until you are dead. This shadow entity is dressed in a black suit and is inhumanly tall with oddly long limbs. These limbs eerily extend out and multiply to trap you in its terrifying death embrace. But the oddest thing about this fictional internet character? People are actually having encounters with a real life Slenderman entity. In this new book by Robin Swope you will discover the origin and growth of the Slenderman myth, its historical archetypal imagery and the chilling clues that point to this modern myth is in fact an actual demonic force that has been hunting humans for hundreds of years. Join Rev. Robin Swope, a seminary trained exorcist and minister as he explores the strange story of the malicious child killing entity known as Slenderman.
