Basic Books (AZ). Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 9.0in. x 5.8in. x 0.7in. We hear much talk about family values, but what value do we actually place on the family itself? In Postindustrial America is the family merely a moral and sentimental worthy cause? In *The Feminine Economy and Economic Man*, Shirley Burggraf sets the record straight about the true value and true cost of the family's work in nurturing and protecting society's human capital. With startling insight she also shows why we must replace our charity attitude toward family with something more appropriate, the same model we use for encouraging other, important economic entities—the model of investment and incentives.
