Barron s Educational Series Inc.,U.S., United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Here is a novelized version of the new hit comedy film released by Fox Studios in December 06. It s an expanded version of Milan Trenc s picture storybook for children, The Night at the Museum, which was first published by Barron s several seasons ago. On his very first night at work, the night guard at New York s Museum of Natural History begins to see the museum s exhibits come to life. He tells his son about the many strange things he sees each night. At first reluctant to believe his father s fanciful tales, the son begins to see Dad in a new light when he, too, spends a night at the museum. He discovers that his father s amazing world is real. The film s unusual and entertaining story, starring Ben Stiller, Robin Williams, Mickey Rooney, and Dick Van Dyke, is faithfully recreated in this funny and fanciful novelization for young readers.
