Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modified the way I really believe.

iUniverse, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A Personal Awakening In the Last Century. Veteran art critic and performance artist Lisa Paul Streitfeld underwent a transformative awakening at her father s funeral in 1983. For the next twenty-five years, she traversed the globe--and her very soul--on the mystical trail of Kundalini pioneer Harold S. Streitfeld. . An Archetype of Global Awakening For This One En route, she became a conduit for the collective consciousness, delivering an Aquarian Age mythology, where an uncompromising reappraisal of stifling dichotomies--left/right brain, male/female, even fiction and reality--portends a new state of balance, equality and hope for humanity. KUNDALINI S DAUGHTER is her story.
