Reviews

The book is fantastic and great. It generally does not expense excessive. Its been designed in an exceptionally easy way and it is simply right after i finished reading through this book by which really changed me, change the way i think.
(Adolfo Lindgren)

NEWSGAMES: JOURNALISM AT PLAY (PAPERBACK)

MIT Press Ltd, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. How videogames offer a new way to do journalism. Journalism has embraced digital media in its struggle to survive. But most online journalism just translates existing practices to the Web: stories are written and edited as they are for print; video and audio features are produced as they would be for television and radio. The authors of Newsgames propose a new way of doing good journalism: videogames. Videogames are native to computers rather than a digitized form of prior media. Games simulate how things work by constructing interactive models; journalism as game involves more than just revisiting old forms of news production. Wired magazine s game Cutthroat Capitalism, for example, explains the economics of Somali piracy by putting the player in command of a pirate ship, offering choices for hostage negotiation strategies. Videogames do not offer a panacea for the ills of contemporary news organizations. But if the industry embraces them as a viable method of doing journalism -- not just an occasional treat for online readers -- newsgames can make a valuable contribution.
