TORCHWOOD: NO. 13: VISITING HOURS

Big Finish Productions Ltd, United Kingdom, 2017. CD-Audio. Condition: New. Language: English . Brand New. The hit BBC series is back! Big Finish bring immortal Time Agent Captain Jack Harkness and colleagues back to audio life for a fresh run of six new audio dramas. Everyone's a little worried about St Helen's Hospital. In many ways it is a miracle of the modern NHS. It has plenty to offer its patients. The problem is that a lot of them keep dying of natural causes in the night. And no-one can find the bodies. People are beginning to notice. Questions are being asked. And there are rumours -the strange whispering figures seen at the end of the corridors, the electrical buzzing, the screams. Also, Rhys Williams has come to visit his mother. Brenda's had her hip done and is looking forward to a bit of rest and regular crumble. Rhys and his mam are in for a night they'll never forget. The huge, and long-running public interest in new Torchwood adventures resulted in a server melt-down when its return on audio was announced by star John Barrowman on his Sunday night radio slot. This is the first of six further releases in this range - twelve have already been released, as well as two specials: Torchwood - Outbreak and The Torchwood Archive. John Barrowman, Eve Myles, Kai Owen and Gareth David - Lloyd reprise the characters who starred in four years of hit Doctor Who spin-off Torchwood, screened around the world. Guest Nerys Hughes is a familiar face from British TV, most notably from Carla Lane's classic The Liver Birds. NOTE: Torchwood contains adult material and may not be suitable for younger listeners. CAST: Kai Owen(Rhys), Nerys Hughes (Brenda Williams), Karl Theobald (Mr Tate), Ryan Sampson (Mr...
