

Blockchain: Beginners Bible - Discover How Blockchain Could Enrich Your Life, Your Business & Your Cryptocurrency Wallet (Paperback)

By Stephen Satoshi

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you re interested in what the future of government, finance and banking will look like, keep reading. If you re looking for a blockchain book that isn t just a two-hour Bitcoin hype that reads like a high school report, then you ve come to the right place Blockchain has been called the biggest technological innovation since the world wide web. This technology is already disrupting the way we look at our banking sector, how we view our governments and what our future currency will look like. However, the mainstream media isn t any good at telling you what blockchain actually is, or how it works. They d rather just print misleading headlines and play 5 second inaccurate soundbites on TV. You see, blockchain goes beyond Bitcoin and cryptocurrency in general. This is a technology that provides countless practical solutions to real world problems ranging from fighting fraudulent financial transactions all the way to helping HIV research. This book separates fact from fiction, goes beyond the hype and shows precisely how blockchain is going to influence our future. In this...
