Excerpt from Monterey County, California Monterey County, California, is thoroughly up to date and progressive. It has long maintained the free county high school system and the free county library system. It has one of the best harbors on the Pacific Coast, which soon will become one of the leading ports upon the commencement of shipping through the Panama Canal. In topography a veritable miniature of California, Monterey County possesses the beauties of landscape and the balminess of climate enjoyed by the most favored spots in the world. It presents most alluring attractions to the tourist, to the homeseeker, the capitalist and the manufacturer. It is an unusual county in a State far-famed for its glories and its grandeur. It has mountains, valleys and seashore, each rivaling the other for health, for happiness and for homes. Monterey County is situated about 100 miles south of San Francisco and 300 miles north of Los Angeles, on the Pacific Ocean. It is 124 miles long and 45 miles wide, The county is divided into three sections - the mountains and hills on the east, the...
