Living beneath our privilege as Christians is a form of mental bondage. As a result, we often settle for less than what God desires for us because we think small based on our circumstances, culture and our environment. Unfortunately, we do not always realize the negative impact our environment and culture have on our family, especially when it thrives on wickedness and depraved mindsets. God wants the best for us; however, we often limit ourselves from pursuing His best because we think small. This lesson takes a look at Lot and provides insight and revelation on Lot s settlement in a place that negatively influenced him and his family s thinking. His fear held him captive. When God s angels gave instructions to escape to a place of safety to avoid destruction, Lot concluded that he could not. Instead he settled for a little place out of fear. Lot s adaption to his wicked environment influenced his thinking as well as his daughters. Even his wife failed to obey the instructions to not look back and was turned into a pillar of salt. Thinking small limits what God wants for our lives. God is able to do exceeding abundantly above what we can ask or think according to the power that works in us. It is time to think BIG to be better, have better and do better for the glory of God.
