It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Hostility against the church is the believer's opportunity under pressure to reveal the goodness of God. Suffering and submission are essential for Peter's Christ for culture strategy. Sacrifice is the leverage of the gospel. Cross-bearing humility is the strategy for relating to culture and Christlike humility is essential for living in the household of God. For all of the talk about cultural engagement among evangelicals these days, there is, comparatively speaking, little sustained biblical exposition on the matter. Outposts of Hope is a book I've been waiting to see for a long time. We're certainly not smarter than the apostles when it comes to how we should relate to Caesar. Through first-rate exegesis and clear writing, Douglas Webster shows us how. --Gregory Thornbury,...
