Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

ERIKA ROTH S UNBELIEVABLE BOOK OF POETRY (PAPERBACK)

Gridley Fires Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Fourth grader Erika Roth s poems are disarming in their insight into the human condition, and the subtle changes of voice are far beyond her years. Her poetry ranges from modern free verse to limericks and haiku, and her grasp of these poetic structures is in some cases as well developed as a high schooler s. Erika s book lay undiscovered until early 2018, when they were rediscovered by her mother.
