Janusz Dals-Pawlicki has survived several cancers, and he consciously searched for alternative and natural methods to prevent from reoccurring it again. His book *Surviving and Preventing Cancer* represents a very complex approach to alternative ways of treating and preventing cancer and other diseases. The book is loaded with practical and helpful information and recommendations. It is the most complex guide for cancer sufferers as well as for all those conscious of existing danger--it shows universal direction to well-being. He stresses the importance of prevention as the best cure for all illnesses. His book has been inspired and is based on his own experience and knowledge acquired throughout the years of his struggle with illness. It also promotes spirituality in the practical context as an important tool in the fight against the disease. All that in order to facilitate the transition to healthy lifestyle in the easiest, fastest, and the most transparent way possible and achieving the ultimate goal--good health. He talks about his life prior to the illness, about first diagnosis and conventional treatment he then received and its detrimental effects, which eventually helped...
