The illusion of objectivity, the question of ethics, or give the right support

By Manuela Mühlbauer

GRIN Verlag Nov 2007, 2007. Taschenbuch. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2004 in the subject Business economics - Business Ethics, Corporate Ethics, printed single-sided, grade: 2, 85%, University of Applied Sciences Chur (SSTH Swiss School of Tourism and Hospitality, Chur), course: MBA, 7 entries in the bibliography, language: English, abstract: The topic of this paper might lead the cursory reader to the assumption that this is another countless academic paper about Ethic . But Ethic is a topic, which is more than a current interest, and it belongs to each of us. The literature today tends to value independence, encouraging people to become liberated and do their own thing. The reality is that we are interdependent, and the independent model is not optimal for use in an interdependent environment that requires leaders and team players. Sometimes it is necessary to take a deeper look into value systems of persons, environments, and organizations. The main question is How can people survive with integrity in the business environment and How can organizations provide the employees with the necessary support for ethical behaviour in companies
