PURSUIT AND OTHER POEMS (PAPERBACK)

iUniverse, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Pursuit and Other Poems offers a new collection of poetry presented in two parts, each of which highlights an extreme event that is part of a romantic experience. The first part is entitled Ode in Emerging from an Overdose, a single long poem that describes author David J. Murray s feelings when he was rescued from an unpremeditated suicide attempt. The second part is entitled Pursuit and contains 114 poems that chronicle Murray s emotional experiences with unrequited love. Deeply personal and yet universal in nature, Murray s verse speaks to the hope and heartbreak of the human experience with love. If Revisited If you can grab your woman too abruptly, If you forget that her birthday is today, If you assume your desire for her is equalled By her desire for a romp with you in the hay, If you dare think a fuzzy morning stubble Turns her right on, and that she desires you more, If you assume that it is her bounden duty To have the dishes done the night before, If you dare think that your mind analytical Is prejudice-free and objective more than hers, And that her place is really in the kitchen And not among elites or raconteurs, Then you will trail behind her in the mall, While she looks out for someone rich and tall.
