Excerpt from Selected Quotations on Peace and War: With Especial Reference to a Course of Lessons on International Peace, a Study in Christian Fraternity Included in This Volume We believe in the Universal human Brotherhood. The crusade of Brotherhood is the most remarkable and prophetic of all the social movements of the modern world. - Amory H. Bradford. Humanity is here and God is here and the glory of Jesus Christ lies in the light that he has poured upon both. He has taught us that the final truth about man is life in the fellowship of love; he has taught us that this fellowship on earth is possible because of the ineffable fellowship of love in God. In the presence of God s world-plan all men are one. We are one in origin, in fortune, and in destiny. - George A. Gordon. I wish we might take home to ourselves this one thought that God is our Father and that we are his children. Our Father - the Father of us all! The Father not only of patriarchs and prophets, of saints and martyrs, of the holy and excellent of the earth, but the Father of publicans and sinners, of heathen men and criminals, of the vilest and the worst just as truly as of the purest and the best. It is the one word that we have to speak to all sorts and conditions of men - the one message which every messenger of God has to deliver - God is your Father, you are all his children. - Washington Gladden, Present Day Theology, p. 36.
