

## Water Well Standards: San Joaquin County; Appendix E; Formation Testing (Classic Reprint)

By Unknown Author

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Water Well Standards: San Joaquin County; Appendix E; Formation Testing The Preliminary Edition of Bulletin No. 74-5, Water Well Standards: San Joaquin County, was published in March 1965. In July 196, results of an extensive ground water quality investigation were published in Bulletin No. 146, San Joaquin County Ground Water Investigation. Certain parts of the Preliminary Edition of Bulletin No.74-5 were updated and revised because of findings of the ground water study. Chapter II of the Preliminary Edition, entitled Ground Water, has been updated in this Final Supplement as Chapter I, Ground Water. The portion of Chapter IV in the Preliminary Edition entitled Supplemental Standards has been revised and is presented here as Chapter II. Specific Standards for San Joaquin County. Chapter V of the Preliminary Edition, entitled Conclusions and Recommendations, has been revised and is included as Chapter III, Recommendations. The General Standards portion of Chapter IV of the Preliminary Edition has been replaced by the provisions included in Chapter II, Standards in Bulletin No.74, Water Well Standards: State of California, published in February...
