

The Story of Spirit as Me: The Journey Inside (Paperback)

By MR Daniel Weatherbee Fulmer, MR Daniel W Fulmer

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book details a journey within a person toward discovery of life as spirit. It mirrors the many forms that spiritual experience has taken over the centuries. The person happens to be me. I wrote it because the only thing I really have to share with others is my story. I am also motivated by a disquiet that so few people talk about their spiritual experiences, leaving it to others such as impersonal religious institutions and would-be reformers to tell us what we should do for ourselves to make our life meaningful. A remark I picked up recently is "the teacher is within" which I subscribe to fully.
