THE FRENCH BALADES (PAPERBACK)

Medieval Institute Publications, United States, 2011. Paperback. Condition: New. New edition. Language: English . Brand New Book. Gower s imaginative French poetry is now available in a new edition with facing page translation, annotations, and introduction. Gower s Traitie employs the French poetic form of balade, typically used for courtly verses, to avow instead the virtues of loving marriage, characteristic of Gower s signature moralizing. His Cinkante Balades confront the tradition of the French Livre de Cent Balades, by describing the feelings of a young man towards his lady, but eventually offering a praise of love insofar as it is subject to reason and morality. Together the two works offer an excellent introduction to the Anglo-Norman works of Gower and are perfect for classroom use.
